This January becomes SPAMuary!

We're paying homage to both a TV legend & the food that fed the nation during the 40s and livening up an otherwise dull and depressing month with Spamlettines, Spambled eggs on toast, Spam English Breakfast & more.

Remembering John Challis (Boycie) fondly, one of the nicest celebrities to visit us over the years.

Only Fools and Horses' Boycie raves about SPAM at Nottingham tea room

He's not the first actor to praise the food and service

Great to have a warm bolt hole right opposite the theatre. Josephine's serves toasted SPAM and cheese sandwiches and fruit scones with jam and @Roddas_Cream so all is well.
